

Jonathan Rodríguez • Front End Developer Jr

varjonathanr@gmail.com • LinkedIn: [jonathanrodriguez04](#) • GitHub: [varJonathanR](#) • [varjonathanr.netlify.app](#)

Self-taught front-end developer with the goal of becoming a full-stack developer. Throughout my learning journey, I have aimed to apply best practices to maintain clean and scalable code. I have tackled numerous programming challenges, from which I've learned and enhanced my programming skills. These challenges have allowed me to creatively solve problems and utilize various technologies, serving as a testament to my proficiency as a programmer.

PROJECTS

[Github Jobs](#) > Reactjs • TailwindCSS • API • react-router-dom • Responsive Design

Find real job opportunities in 18 different countries, you can filter jobs based on Full-Time positions and explore opportunities in various states within your country of interest.
